The Company Solution [121-IS2012-COM] and the Corporate Solution [121-IS2012-COR] include trainings \& workshops for performing the assessment and operating the tools.

## Upgrade Information

Upgrade of existing SPiCE 1-2-1-licenses up to Version 3.0.
The upgrade price depends on existing license(s) as well on your Tool-Version:

- Customers with an existing maintenance agreement:
- Version 1.x to 3.0: $20 \%$ of the existing license price.
- Version 2.x to 3.0: Update free of charge.
- Customers without an existing maintenance agreement:
- Version 1.x to 3.0: 70\% of the existing license price.
- Version 2.x to $3.0: 60 \%$ of the existing license price.
- Upon conclusion of a maintenance agreement the upgrade price from version 2.x to version 3.0 is $40 \%$ of the existing license price. The maintenance costs amount $15 \%$ of the license price yearly. The minimum duration is 2 years. The agreement is automatically renewed for another year. The termination of the agreement has to be made in written form (fax or e-mail) at least 3 months before its expiration.

Note: This version represents the 2012 release of Part 5. Since the processes have changed (mostly structural, not from their content), assessment files from SPiCE 1-2-1 IS (2006) tool version 2.0.0 to 2.2.4 can not be opened with SPiCE 1-2-1: 2012 tool version 2.2 .5 and vice versa. Upon request we still have another edition of the tool, which represents the 2006 release of Part 5.
